GIGGLESWICK PARISH COUNCIL

RISK ASSESSMENT and MANAGEMENT

In accordance with Section 17 of Giggleswick Parish Council Financial Regulations adopted in November 2022, the Council will assess the risks it faces associated with the activities and services of the Parish Council and identify actions necessary to address these risks. This risk assessment and management document will be reviewed periodically and in particular if any circumstances change and in any event not less than once a year.

The Council resolved in April 2022 that the clerk/RFO is empowered to do anything expedient and necessary to ensure the continuous business of the council, and to deal with mandatory undertakings in order to prevent the authority from incurring liability during the period that the delegation is applicable under the Local Government Act 1972, Section 101.
